First Phase Report

“Every Roma Child in Kindergarten: Building advocacy networks and best practices in the integration of Roma Children”

May – August 2016

Report on the work developed in the Qark of:

 **Shkoder**

The "*Every Roma child in kindergarten: Building advocacy networks and good practices in the integration of Roma children*" initiative applies all over the country. YWCA covers the qarks of:

Shkodra, Lezha, Durres, Berat, aiming at establishing and supporting local networks for advocacy based on the early development of Roma children.

YWCA developed its work following the main project objectives.

Programme Output 1

- **Local public institutions facilitate Roma children inclusion in pre-school and formal education and early childhood services across 4 regions of Albania.** (Albania: Shkodra, Durres, Lezha and Berat)

-Ketu do raportohet:

1. Vizita ne institucione dhe pune ne terren per identifikimin dhe verifikim (se bashku me perfa, te shkolles/shendetit/policise/njmf etj)

These visits are conducted in these institutions and terrains.

1. Meeting with representatives of DAR Shkoder to inform about the number of unregistered children who have encountered in Roma settlements.
2. Meeting with directors of schools and kindergartens that were near Roma areas to prepare the kindergarten for new registrations in the garden and first class. School directors and kindergartens too of schools : “Liria”,” Rushdie DACA”, “Salo Halili”, “Xheladin Fishta”, kindergarten of Bahçallek, Ajasem, Ton Alimhilli, Salo Halili, Logoreci Mati Ali Laçej, 16 Shtatori etj
3. Meeting with the director of the nursery and gardens near Shkoder Municipality Znj.Loreta Lici for labor over kindergartens of this institution, to put aware of our project and cooperation for the progress of enrollment in kindergartens and nurseries for Roma children.
4. Meeting with the Director of the Office of Social Affairs in the Municipality of Shkodra to inform our work with Roma children, for the presence of cooperation with this office to help the success of our work.
5. We have realized three meetings with the working group for Roma children in the Municipality of Shkodra for the social plan in which became part our organization where we have given our long experience to Roma children, we have exchanged data and priorities and tasks for the integration of Roma children's kindergarten and schools.
6. We have met the Head of the Health Center No. 1 and No. 4 where we were informed about the work that is becoming with the Roma children newborn and preschool.
7. We met several times and visited Roma families in their homes to identify their movements this summer period where they move their homes several times.
8. We visited Roma parents for the registration of children to kindergarten.
9. We met with organizations that have in focus Roma children to find support for the realization of our objectives in their help, I CARE Organization, M.Ricarden of Peace Village, The Door ect.

2. We have support the kindergartens that have integrated Roma children with helps. (Summer camp, teaching tools that they we have bought, which are books we buy and will give those schools at the beginning of September, etc.)

1. We supported kindergartens that have integrated children in kindergartens, kindergarten Rushdie DACA, there we have donating all children in kindergarten extracurricular books, teaching tools, toys, clothing from donor associations like "Pulsi -On".

2. Pulse-On organization has donated books to the school called Ruzhdie DACA to enrichment the school library and children with good results and all Roma children in this school had extracurricular artistic and literary books.

3. We realized in Bahçallek school a meet with the known writer for children : Xhahid Bushati, who referred an educational conversation about loving books and reading. He gave for school library books written by him and some children with good school results.

4. We have made medical examinations for Roma children with health problems and we have supported with medications provided by our organization.

5. In cooperation with "I Care" two weeks summer camp in the school environment "Ndoc Mazi" with children of marginalized groups and Roma children. The camp had specialized animator group which successfully completed educational and entertaining activities with children. Also in the camp it was organized & transportation and meals for all children.

5. A successful collaboration with M. Rikarda and volunteers of the Church together with the YWCA volunteers, realized one week summer camp in the school environment "Rushdie DACA " with Roma children who attend this school and the children that go to this school.

The work group did an excellent job educational, sports and entertainment with these children and the camp was the theme of friendship, food and transport provided by YWCA and m.Ricarda.

Programme Output 2

- **Roma parents and teachers mobilised to support the inclusion of Roma children in pre-school and formal education and early childhood services across 4 regions of Albania**

-Ketu do raportohet:
